

Schools Music Education Plan

Outcomes of the Schools Music Education Plan are a joint approach with Musicate.

Priority 1 Engage with schools across the designated area

OUTCOMES

- a) The Music Hub is seen by schools as a confident, expert leader of music providing challenging but supportive conversations*
- b) Meetings with schools focus on strategy*
- c) Schools are aware of the support the Hub can provide*
- d) A locally-agreed Quality Music Mark for Schools is developed*
- e) A clear communication strategy is developed*

Priority 2 The quality of Music Education in schools is good or better

OUTCOMES

- a) Senior Leaders are able to assess quality of music education.*
- b) Schools have robust data to show standards of teaching and achievement/progress in music*
- c) All schools have an effective singing strategy*
- d) An increasing number of schools achieve Quality Music Mark*
- e) There is an effective accreditation scheme for instrumental teaching*
- f) The Hub works with subject leaders in schools and any delivery partners to develop a high-quality progressive curriculum*

Priority 3 There is a training programme for both class and instrumental teachers that supports high standards of teaching

OUTCOMES

- a) Training needs are identified*
- b) The Hub provides support to schools in developing the quality of music education*
- c) The Hub develops a good quality CPD programme*
- d) Schools, delivery partners and others engage with the CPD programme*

Priority 4 The Hub is able to evaluate the impact of its work across schools

OUTCOMES

- a) The Hub has robust data to demonstrate the quality of Music education.*
